

Dear Parents & Carers,

It was lovely to welcome all pupils back after what we hope was a lovely Easter break. This time of the year brings the usual 'can we go on the field at lunch time' question, but unfortunately it remains quite wet and soft under foot. Soon though we hope!

You will be aware that following previous strike action, members of the NEU have called further days of industrial action on Thursday, 27 April and Tuesday, 2 May 2023. This is national action and follows on from previous days which have impacted on many schools throughout the country. We are still in the process of establishing the impact of possible strike action here and we will be in touch to let you know what the implications of any industrial action may be for your child/ren.

Thank you now to Mrs Proffitt and Mr Fox who accompanied a group of year 10 pupils to France at the start of Easter. The visit was a huge success and I know that pupils and staff thoroughly enjoyed themselves, with the bonus of missing the huge delays at Dover.

Well done to the year 11 pupils who have completed their speaking exam this week in French and Spanish. There are now just 13 school days until the hall-based exams begin, so every moment in class must be maximised to ensure pupils address any uncertainties and take advantage of having the subject specialist teacher there to help.

Finally, we wish Mr Bird, Assistant Headteacher good luck as he attempts the London Marathon on Sunday. We look forward to trying to spot him amongst the runners and finding out how it went next week.

Enjoy the weekend

*John Parr*  
Headteacher

## Medicines in school

Occasionally, your child may require "over the counter" medication (for example anti-histamines or pain relief) during the school day.

If, and when, this is the case please see the options below:

### **Option 1**

As per best practice guidance, we permit pupils to carry ONE daily dose of medication on their person if you are happy to, and able to supply your child with medication in this way.

We would be grateful if you could make us aware that they will be carrying medication and self medicating with your consent by completing this form:

<https://forms.office.com/e/n3CNc0LCry>

### **Option 2**

If you would prefer for us to store and distribute medication please complete this consent form

<https://forms.office.com/e/n3CNc0LCry>

Please note that **ANY** medication stored in school (including over the counter medication) **MUST** have a pharmacy label with your child's name on as per the best practice guidance from the DFE and our school policy which can be found here:

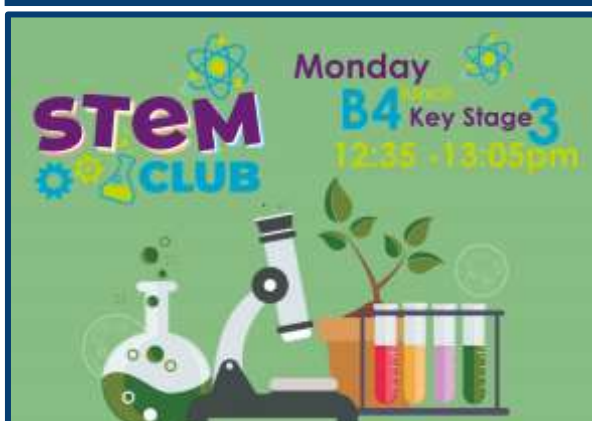

[www.churchstretton.shropshire.sch.uk/sites/default/files/attachments/Supporting Pupils with Medical Conditions Policy.pdf](http://www.churchstretton.shropshire.sch.uk/sites/default/files/attachments/Supporting Pupils with Medical Conditions Policy.pdf)

Pharmacists are usually aware of this policy and happy to add a label to over the counter medications you are purchasing.

## Year 10 French trip to the Chateau de la Chanteraine Friday 31st March – Monday 3rd April 2023

Just after midnight on Friday 31st March, Mr Fox, 17 Year 10 GCSE French students and myself boarded a coach to travel to northern France. Amazingly, we all slept soundly on the coach arriving in Dover in good time to board our ferry, the Pride of Kent. The crossing was rather choppy due to some adverse weather, but we all survived, more or less unscathed. Indeed, we felt extremely fortunate when we found out later, that we had just missed the lengthy coach queues in Dover which kept some school tours waiting at passport control for 24hours.

### **La Chateau de la Chanteraine**

Around 1.00pm, we arrived at the Chateau de la Chanteraine where we had a delicious three-course meal, followed by some team-building activities with Arshad, our animateur. I was incredibly proud of our students, taking part in some mentally-challenging team-building activities, all in French, after such a long journey. It was then time to check into our rooms, rest and refresh and have another wonderful 3-course meal before bed.

### **Saturday 1ST April**

Saturday morning, after a restorative sleep and typical French breakfast of croissants and pains au chocolat, we headed to the pretty town of Dieppe to look around the prize-winning Saturday market. The students had to complete a market challenge, looking for and buying their own lunch, asking for the food in French from the market stall holders. As it was April Fool's Day, I also told the students to watch out for paper fish being stuck on people's backs. (This is a well-known French April Fool tradition – the "poisson d'avril"). Daisy Jones captured a fantastic photo of an unsuspecting man who had been poisson d'avriled which you can see below.

After our visit to Dieppe Market, we visited the Maison Maxime Chocolate Factory. We wore very attractive hairnets and were given a comprehensive tour (in French) of the factory, seeing the chocolate production and decoration in action. Many purchases were made – but either through greed or placing the items too near to the coach heating system, I hear that many chocolate figures, did not survive the trip home.

As we were not very lucky with the weather on Saturday, we decided to forsake our walk around the Baie de la Somme and, instead, visited a very busy French hypermarket.

Saturday evening at the hotel, after our evening meal, Arshad ran a French Quiz, again, all in French where students' knowledge of France and French culture was rigorously tested!

### **Sunday 2nd April**

On Sunday 2nd April we visited Rouen. As it was Palm Sunday, we were lucky enough to be able to watch some of the elaborate Palm Day service in the beautiful, impressive cathedral. Mr Fox and I also learnt the French for the plant they were selling for palms, "de la buis" or "boxwood".

In Rouen we also went to see the site where Joan of Arc was burned (Le Bûcher de Jeanne d'Arc) and Mr Fox, due to his keen interest in History, was able to tell the students all about the reasons why Joan of Arc was burned at the stake in 1431.

**The group at the exact place Joan of Arc was burned in 1431 aged 19.**

Sunday afternoon was spent at the chateau. Arshad taught the students how to make scones (all in French) and, I have to say, they were extremely delicious. The students were pleased to learn the French for yeast "la levure" – this was the only word they were unfamiliar with during the whole cookery lesson.

Sunday evening, after yet another full scale meal, we had an evening drive out to the Funicular railway at the nearby seaside town of Le Treport. We were extremely fortunate to watch a beautiful sunset over the Atlantic Ocean from high up on the cliffs.

### **Monday 3rd April**

After our final French breakfast, we had a short walk down to the sea, then boarded the coach to travel back to the UK. This time we crossed on a much larger ferry, the Spirit of Britain, and had a much calmer crossing, watching the white cliffs of Dover getting nearer and nearer in the glorious sunshine.

After watching the film "Ratatouille" and a stop for tea at Oxford Services where many students took the opportunity to visit Burger King or KFC and charged up their phones, it was the final stretch back north to Church Stretton where all parents were waiting to collect their children.

I would like to take this opportunity to thank Mr Fox for agreeing to help lead this trip with me at very short notice, and also all 17 students who went to France. They were all an absolute credit to themselves, Church Stretton School and their parents, speaking lots of French and acting in a mature, enthusiastic manner throughout. I am very proud of them and consider it a privilege to have had the opportunity to lead this school visit.

A wonderful start to the Easter Holidays

## Enrichment Week update

Unfortunately, due to insufficient interest we are not able to run the proposed Sports Tour during Enrichment Week.

Apologies for any disappointment this may cause.

There are still places available on the trip to Stratford-Upon-Avon. This trip is open to students in Years 7, 8 and 9 It will be a two-day visit and will depart on the morning of Thursday 20th of July. Students will participate in a number of planned events including –

- A backstage tour of the Royal Shakespeare Theatre
- A drama workshop delivered by the RSC in their Clore Learning Centre
- A visit to the RSC Worlds Together exhibition
- Watching the production of As You Like It
- Some time for shopping / a walk around the town and riverside

We will be staying at YHA Stratford Upon Avon where an evening meal, breakfast and lunch the following day will be provided. We aim to return to school on Friday 21st July around 5pm.

The cost of this activity will be £120 and will include all activities and meals. If the activity is oversubscribed participants will be selected at random. More information about the production can be found [HERE](#) with information about the accommodation being found [HERE](#).

If you are interested in your child participating in this activity, we are asking for a deposit of £25 to be made using ParentPay. If you would like more information, please contact me - [tom.wise@csschool.co.uk](mailto:tom.wise@csschool.co.uk)

### **Battlefields Trip**

We also have a couple of spaces left on the Battlefields trip. This trip is open to students in Year 8 and Year 9. The four-day trip will take place from 17-20th July 2023 and will include visits to Passchendale, Tyne Cot and Langemark cemeteries, Vimy Ridge in the Somme and the last post at the Menin Gate in Ypres. The full price of £370 includes transport, channel crossing, full board accommodation and entry to museums in Flanders and the Somme.

Please contact Miss Sollars if you are interested via email. [laura.sollars@csschool.co.uk](mailto:laura.sollars@csschool.co.uk)

### **Day trips**

Please note that in addition to the residential trips there will also be a number of day trips which will be launched nearer the time.

## Science Book Club

Recap: The science department is increasing the science literature available to students by growing the number of science books in the school library.

Therefore, we are requesting students who would be happy to read some of the new books on offer and write us a book report to inform others... As a thank-you, you can keep the book and a copy of it will be placed in the library for others to enjoy.

Following two successful terms of Science Book Club, we are happy to announce our next instalment of books are available for Summer Term:

- Lessons in chemistry. Gamus, Bonnie
- The kid who came from space. Welford, Ross
- The Fourteenth Goldfish. Holm, Jennifer L.
- Kay's marvellous medicine. Kay, Adam
- In the key of code. Lucido, Aimee
- The extraordinary life of Greta Thunberg. Jina, Devika, Braun, Petra

Please see Mrs Carr for further details.

We look forward to you joining the club.

# Mr. Bird is running The London Marathon

After completing the Berlin, Loch Ness and Manchester marathons I will be taking on my latest marathon challenge by completing the London Marathon on Sunday 23<sup>rd</sup> April.

If you would like to track my progress my bib number is 36689. There is another Dan Bird running the marathon, but I am registered as Daniel Bird (to not disappoint my Mum!) so that is how to tell the difference if you try to find me by name.

I am running the marathon in memory of Kean Hall and raising money for The Teenage Cancer Trust, I will be eternally grateful for all/any donations I receive, and I promise to run super fast!
