November 2016

SKI 2017

Dear Parents/Carers

Thank you for expressing an interest in the school skiing trip to France next December. Sorry I have been a bit late in writing to you to formally confirm your child's place. I have been busy getting our current year 9's ready for departure. We now have 29 confirmed places and we can now look forward to another excellent week's skiing 12 months from now. Although this number is lower than previous trips I have managed to secure the trip at the same price. We will again be travelling with 'Equity Inspiring Learning'.

Since our last information evening I have been alerted to the fact that the trip was advertised during the school holidays. This was a calendar error on my part and I can confirm that the trip will be departing on **Friday 8th December**, returning a week later on **Friday 15th December**. Due to the fact we are leaving a week earlier than advertised we will now be travelling to the French resort of Montgenevre instead of Risoul. Our current year 9s are also travelling to Mongenevre. If you would like an insight into the type of week we might have then you should follow StrettonSki on twitter for updates and photos.

Some parents have asked for another copy of the payment schedule that was attached to the 1st letter. Please find that below. If there are any issues with the payment schedule please contact me at school.

I will write to you again after the summer and we will meet again in November to talk through the finer details of the trip, including a possible day trip to the Snowdome for a 'dress rehearsal'.

Could I also take this opportunity to remind parents that the school's overseas risk assessment requires one or both of the pupil's parents to hold a valid passport for the duration of the trip. I should also mention that in the event a pupil leaves the school their place on the trip will be cancelled and we will have to adhere to the cancellation charges of Equity.

Yours sincerely,
Mr T.Ward
Head of PE
