Dear Parents/Carers,

## Enrichment Week 2018

One of the excellent features of Church Stretton School is the variety of opportunities that students are given during the annual Enrichment Week, next year from Monday July 9<sup>th</sup>- Friday July 13<sup>th</sup>

This gives students in Years 7 – 9, whilst year 10 are on Work Experience, the opportunity to embark on a journey. This may be a journey to explore new places or a journey that explores hidden talents and skills. Above all, it is a chance to learn about themselves.

This is an exciting week where our normal curriculum is suspended and is enriched by providing students with activities that cannot normally take place in an average day.

During the week we offer a variety of residential trips as well as a range of in school and collaborative projects for those not participating in the overnight trips.

Over the next few weeks you will be contacted by staff with more details but I am writing to inform you of what will be offered and to whom.

This will hopefully avoid students changing their minds to opt for another trip or visit which can cause problems for the organising staff when confirming numbers.

Trip	Year group	Length of visit	Cost
Sports tour to Cardiff	7-9	2 nights	Approx. £210
Water sports trip - Preseli	8	2 nights	Approx. £270
French trip	7	3 nights	Approx. £310
Belgian Battlefield	9/10	3 nights	Approx. £300
Maths trip	7-9	1-2 nights	Price to be confirmed

As already mentioned, letters from the member of staff organising the trips will be sent within the next few weeks with more details and the payment plan, you should contact those members of staff if you have any queries.

Regards

Ms A Moore  
Assistant Head
