21st September 2016

Dear Parent/Carer

Faith, Philosophy and Ethics Workshops

This year Year10 students will be participating in a series workshops along the theme of Faith, Philosophy and Ethics; this is a government requirement that all students study aspects of Religious Education at Key Stage 4. Over the course of the year students will be participating in four different sessions looking at different themes including a Hindu Workshop, visiting speakers and a visit to a site of religious worship. The first workshop will take place on **Thursday 13th October** and will be an interactive workshop on Hinduism focusing the spiritual values and culture of India. Students will have the opportunity to explore Hindu culture, experience Indian music and to understand the foundations of the Hindu faith. Students will each be involved in a one hour workshop and will be informed which session they will be attending, therefore they will need to be fully equipped as they will be in normal lessons for the remainder of the day.

During the workshop some students will have the opportunity to have their hands or faces painted. This is all hypoallergenic, however, if you do NOT want your child to have their face or hands painted then please return the form below before the workshop in October.

Yours sincerely

L Sollars

Miss L Sollars
Key Stage 4 RE Co-ordinator

Please return to **Miss Sollars**

I have received the letter dated September 2016 and **DO NOT** want my child to have their hands/faces painted during the Hindu workshop.
