9th January 2017

Dear Parents/Carers,

As part of the preparations for the GCSE History exam in June 2017, I have updated the student revision guide for the Medicine section of the paper with more detailed information and up to date information for the second paper on Public Health in the 19th Century. Unfortunately, because of production costs we do have to charge a small fee of £1.75. Free versions will also be available electronically. If you wish to purchase the hard copy of the revision guide (sample available on request) please log into Parent Pay to confirm your purchase.

As part of their preparation for the exams, all students would benefit from practicing past papers – these are available in the purple Germany revision guides and will be given feedback if returned to me in lessons or by email.

Many thanks for your continuing support.

Yours sincerely

Miss L Sollars
