Dear Parents & Carers,

Residential Trips – Enrichment Week July 2023

One of the excellent features of Church Stretton School is the wide variety of residential opportunities that are available to our students, particularly during Enrichment Week (17-21st July 2023).

I am notifying you in advance of the proposed trips being offered this year so that you are aware of the options and approximate costs, which will allow you to make an informed decision regarding those you may wish your son/daughter to participate in. This will help to avoid future potential clashes of interest which can cause problems for staff when organising numbers. As always, trips will only run if there are sufficient numbers.

There will also be in “school activities” as well as day trips for students who choose not to go on one of the residential trips. Over the next couple of weeks, you will be contacted by the trip organiser with more details and payment plans, please contact them directly for any further information.
