Dear parent/carer,

We have now moved to our new Data Management system, Go4School. This is changing the way we share data, reports and homework with you, for the better. Using GO 4 Schools, you will be able to view your child's progress online and access the following information at any time:

- **Homework** – Homework tasks due in the next 7 days
- **Attendance** – Shown from the start of the academic year
- **Timetable** – Your child's daily and weekly timetable
- **Progress Reports** – Full written reports which are published each year and termly Grade Updates

Your child's page is automatically updated, providing you with the latest information. When a new grade or report is available we will contact you to let you know.

To access the site, please go to [www.go4schools.com](http://www.go4schools.com) and click on the Parents icon at the top of the main page to arrive at the log-in screen. The email address you use to enter the site must be the one we have registered in our database for you. **At the moment, we currently have the email address we have used today as the main address for you.** If you would like to change this email address please contact us on [admin@csschool.co.uk](mailto:admin@csschool.co.uk) with an email from the account that you would like us to use.

If you would like to supply a second parent/carer email address then please use the email address above to inform us so that we can add this to the list. Please ensure that any email you send has your name and the child's name in the body of the message. If you do not have an email address then we will continue to send the reports out on paper.

To request a password for GO 4 Schools, please enter your email address into the First-time User field and click 'Please send me a password'. A randomised password will then be generated and sent to your email address. You will then be able to log into the site and view your child's page.
