1<sup>st</sup> December 2016

Dear Parents/Carers

I am delighted to be able to report that our Year 7 Science classes have made an enthusiastic start to their KS3 course. Students are now hard at work in preparation for their upcoming Science exams.

The purpose of this letter is to offer you the revision/study guide for the whole of the KS3 Science course. The advantages of this being:

- Students will have their own personal copy of the revision/study guide readily available to them, and they can make their own notes and annotations within the guide
- This 200 page Guide will be a valuable resource when preparing for tests and for regular revision and home study throughout Y7, 8 and 9.
- We are able to pass on the discount that we have secured, and can therefore offer these books at the reduced price of £5.50 each, compared with the standard retail price of £10.99 each.

For those who do not wish to purchase the books, there will always be a number of copies available for students to borrow from the school library - but I do hope you will agree that the books represent an excellent investment.

Students who are eligible for Free School Meals, or have been at any point during the last six years, will receive their books free of charge via Pupil Premium funding, and in such cases there is no need to respond to this letter.

If you wish to purchase copies of this book I would be very grateful if you could make your payment of £5.50 via ParentPay, as soon as possible. Please request a bar coded letter from Reception if you do not have internet access.

Please do not hesitate to contact me at school if you have any queries.

Yours sincerely

D Dury

Mrs D Dury (Acting Head of Science)
