Headteacher: Mr J Parr BA Hons

Friday, 23 September 2022

Dear Parents and Carers,

GCSE Mathematics Revision Guides

Whilst we prepare students thoroughly in their lessons for their GCSE exams in mathematics, we also expect them to undertake independent revision. The mathematics department would like to recommend as good value for money the revision guide and separate workbook published by Pearson Edexcel.

Foundation Tier:

Pearson Edexcel GCSE 1-9 Mathematics Foundation Tier Revision Guide + App.

Pearson Edexcel GCSE 1-9 Mathematics Foundation Tier Revision Workbook.

Higher Tier:

Pearson Edexcel GCSE 1-9 Mathematics Higher Tier Revision Guide + App.

Pearson Edexcel GCSE 1-9 Mathematics Higher Tier Revision Workbook.

These are written by the Pearson exam board specifically for the Pearson Edexcel specification which we currently teach. They are excellent value for money at £2.75 each when purchased from the school. If your child is eligible for pupil premium, these revision guides will be free of charge.

The revision guides also come with an app that students can download to use with the revision guides.

Please look on Church Stretton School's ParentPay for more information.

The deadline for orders is 30th September 2022.

Yours faithfully,

Stephen Williams.

Head of Mathematics.

Church Stretton School
