Parent & Carers survey

Dear Parents & Carers,

We would like to give you the opportunity to have your views considered so that the school, working in partnership with home, can provide the best education and support for your child/ren.

We value your thoughts on what we are doing well and where we could do even better, so your completion of this short survey would be very much appreciated.

Please note that there is a separate survey for the parents of year 11 students as there are additional questions linked to revision and exams.
