11th October 2016

**Year 11 Post-16 Evening
Wednesday 19th October 2016, 6.00pm**

Dear Parents

To enable your son/daughter to make the sometimes difficult decision regarding the next stage of their education or training we invite you to attend the above evening.

The meeting on 19th October is one of the most crucial as your child prepares to leave the "safe" and statutory world of school and enters the realms of apprenticeships, jobs and further education. Shrewsbury Sixth Form, Ludlow College, Walford & North Shropshire College, Shrewsbury College, Shropshire County Training, Shrewsbury High School, Hereford Sixth Form College and the Army/Navy will be represented. After a short introduction there will be the opportunity for you to gather information and ask questions from all the providers attending. Mr Parr, Head of School and I will be available for general questions. Our main Colleges will also be attending the Year 11 Progress Evening on Thursday 19th January 2017 when you will probably have a different set of questions to put to them.

There is a well-developed and organised careers programme in school involving our Post-16 Advisor, various outside agencies, tutors and myself. Students are already following a PSHE programme on Post-16 choices. So that they can take full advantage of the support offered by the school would you please make note of the attached list of dates in your diary. These dates are also available on the school website under Information, Advice and Guidance.

Please indicate on the reply slip below if you will be able to attend. There are obvious advantages if your son/daughter can attend with you. Please return replies to me via the Reception Post Box by Friday 14th October.

If you have any queries or concerns about your son/daughter's future plans, please do not hesitate to contact me at the school.

Yours sincerely

Ms A Moore
Assistant Head of School
