Hello!

As you are about to enter Year 11 we want to ensure you make an informed decision about what happens when you leave school.

The choices available include full-time education, apprenticeships and employment. The range of education and training is vast and, as well as choosing subjects, possible careers and university options, you also need to understand the levels and types of qualifications.

We are delighted to present a choice of three one-stop opportunities to explore your options (including travel and financial information) at which last year 74% of people rated the events Very or Extremely useful:

Shrewsbury: **Tuesday 25 September 3.30-7.30pm** book at <http://shrews.co/FutureStudySY>

Oswestry: **Saturday 29 September 10.00am-1.00pm** book at <http://shrews.co/FutureStudyOS>

Telford: **Saturday 13 October 10.00am-1.00pm** book at <http://shrews.co/FutureStudyTF>

You and a family member/guardian/sponsor are invited to book a suitable time slot to secure your place. Places are available on a first come basis through the booking system. (Please let us know if you need further spaces for a specific reason).

At the events you will be able to get information and speak to a wide variety of local colleges, sixth forms, training providers and The British Armed Forces - please check the booking page for an up to date list.

In addition to these events, teams from Shrewsbury Colleges Group (Shrewsbury College and Shrewsbury Sixth Form College) will also be visiting schools throughout Year 11, providing information and application support along with dates of college advice events and taster activities.

Attending these events will be an all-round starting point and I hope you will be able to join us. Please book your space by **16 September** using the links listed above or email events@shrewsbury.ac.uk for assistance. Please do book early as they are expected to be busy events.

I look forward to welcoming you.

Yours sincerely,
