Dear Parents,

Residential Trips 2018-19

One of the excellent features of Church Stretton School is the wide variety of residential opportunities that are available to our students throughout the year.

I am notifying you in advance of the trips being offered this year so you are aware of the approximate costs and the dates to make an informed decision with regard to those you may wish your son/daughter to participate in and avoid potential clashes of interest which can cause problems for staff when organising numbers.

Over the next few weeks you will be contacted by the trip organiser with more details and payment plans, you should contact them direct for any further information.

Trip	Year Group	Length of visit/time	Cost
