Dear Parent/Carer,

Re: School Photographs

Wrates Photographers will be coming into school on Friday 20th October 2017 to take our annual photographs.

- All students will have individual portraits taken
- If you wish for a family group photo to be taken can you please complete the reply slip below and return it to the post box in reception by **Monday 9th October**. These students will then be given a specific time, via the tutor of the eldest student, to have the family photo taken. We will not be able to take family group photos unless the slip has been returned **in advance** of the photograph day.

Wrates offer highly professional photographs to parents in a 'proof pack', with several pack options to choose from. I am sure you will be delighted with the results. Year 11 will also have a group photo taken during the afternoon on raked staging.

You can order your photographs from school or directly through Wrates online service, and details of how to do this will be included with the proof pack.

All pupils in school will be photographed as we wish to update our school database - the pupils will be photographed in correct school uniform to facilitate this.

Note: If you are a second parent who wishes to get a copy photo then you will need to contact the school in order to obtain the relevant reference number to enable you to order a copy photo directly from Wrates.

Yours sincerely,

J Parr
