

October 2016

Year 9 Ski Trip December 2017

Dear Parents/carers,

Thank you for expressing an interest in a school skiing trip to France next December. I would now like to invite you all to the School Assembly Hall for an information evening on **Thursday 20th October at 6pm**. The session will only last 30-45 minutes. It is hoped that during this session I can give you all the information that you would require to help make a decision on whether you wish to commit to the trip. There is also a meeting next week regarding the Gibraltar Sports Tour. Hopefully pupils/parents that are torn between trips might be able to make a decision after attending both meetings.

If you cannot make the evening for any reason, then you're welcome to contact me at the school with any queries you might have. In addition if you feel you have enough information already (siblings have been in the past) and are sure about committing to the trip then I can now invite you to pay a deposit of £75 via parent pay.

I should state that at the time of writing we have had 30 expressions of interest in the trip. The trip is designed for 40 so providing there are no latecomers all those interested should be able to secure a place on next year's trip.

Please contact me at school if you have any queries regarding the trip or information evening.

Yours sincerely

Tom Ward
