Headteacher: Mr J Parr BA Hons

September 2023

Dear Student, Parent/Carer,

I am incredibly pleased to announce that following the success of this year's sports leadership at CSS and continued involvement in delivery of a busy event calendar for the feeder primary schools we can confirm that next academic year we will be delivering a sports leader's qualification during core pe sessions on Tuesday mornings for year 9 pupils.

This is a Nationally recognised qualification – sports leaders' UK level 1 award and will require the upmost effort and commitment in the course for the year. There is a maximum of 20 places available for each half of the year. Similarly, to the D of E award the qualification is externally moderated and must be bought in so there will be a cost to the award – the cost is £40 for the year, this pays for the qualification delivery, certification, and resources.

The level 1 course will equip you to feel confident to assist within events for younger children as well as peers across a variety of sports. You will learn invaluable skills such as communicating, organising, planning and teamwork. This will benefit you when taking roles within after school competitions and sports festivals for children from local primary schools. These roles will include things such as warm up, coaching skills event organisers, marketing /publicity, team attaché, judges, music steward, scorers, and photographers.

The training will be run on a weekly basis on a Tuesday am PE lesson P1 or 2 depending on which half of the year you are. On the weeks we host primary school events in the afternoons you will be helping to deliver these events too, and these sessions will be assessed as part of your award. I will endeavour to prevent you from missing too many lessons therefore with a cohort of up to 40 leaders I will choose different leaders for different events.

If you are interested the next step is to complete the expression of interest form using this [link](#) by Monday 10th July. We will then confirm your child's place and request to fee of £40 which needs to be paid via cash.

Our school conforms with data protection regulations, which means any data provided is processed and kept according to these regulations.

Yours sincerely

Miss L Dillon
School Games Organiser
