Trust Awards Edition

We were delighted to bring back the Trust Awards this year!

Staff across the schools nominated pupils for the prizes as a first step. Headteachers then worked with school leaders to select the strongest nominations for their individual schools. The shortlisted pupils then met with their Headteacher and school Governors to discuss their nomination.

All Headteachers shared that it was lovely to meet with such remarkable young people across schools and to congratulate them on their nominations. Following these meetings, we were then able to select the final prize winners.

Pupils were selected in the following broad categories:

- Achievement across a range of subjects
- Arts and performance contribution
- Positive impact on school life
- Strength of character and resilience
- Sporting achievement and community sports
- Community and environmental work
- Supporting the rights of others
- Compassion and care for others

Pupils were awarded prizes in these eight main areas and an overall Primary Winner and Secondary Winner were selected. Congratulations to all the pupils who received a nomination, whose names are listed on the next pages. Congratulations also go to Alexandra Rad from Stokesay Primary School and Clara Powis from Church Stretton School who were selected as our overall Trust winners.

Alexandra Rad – Stokesay Overall Winner

Clara Powis – Church Stretton Overall Winner

A big thank you to Hills Coaches and Caterlink for contributing towards the prizes for the winners.

We hope you all have a wonderful summer break, see you in September!

Warmest Regards
