6th September 2016

Dear Student/Parent

Welcome to Key Stage 4
Wednesday 14th September 2016 6.00pm, School Hall

Year 10 have made a really positive start to their Key Stage 4 courses and appear to be settling in well. The next two years are crucial and we all need to work together to ensure they achieve their potential to enable them to progress on their chosen pathway at Post 16.

During the evening we will be giving information on key dates, mock exams, homework Expectations, timetable and also work experience. We will also be explaining how we set end of KS4 target grades, monitor a student's progress and assist them in preparing for their exams. Some of our current year 11's will also be available for a question and answer session.

We would, if possible, like your son or daughter to attend as well as we feel it important that they also have an overview of the years ahead.

To ensure we answer any key questions you have regarding Key Stage 4 we would like to encourage you to send in any queries you have on the reply slip below, or email, which we will endeavour to address on the evening.

Yours sincerely

Ms A Moore
Assistant Head of School
