**Headteacher:** Mr J Parr BA Hons

24th November 2020

Dear Parents/carers

### **College Applications**

I am writing to inform you that the opportunity to make applications for all local colleges is now open. 'A Level' applications at Hereford 6th Form College and Shrewsbury 6th Form College need to be completed by February 2021. Although applications will be accepted after that point, the colleges do advise that those received after this time may not result in the student being given their first choice, as timetabling for the next academic year begins. As a school, we advise that anyone wanting to take A Levels in September 2021 apply as soon as possible.

Colleges which offer vocational courses do not have the same deadline but are currently accepting applications. The school would again advise to submit applications as soon as your child has chosen their course.

All Year 11 students have received time and support during PHSE lessons to write their personal statement. This is required by some colleges to help gain an insight into the student and what their aspirations are. It can also be used for apprenticeship and job applications in the future. Due to the current COVID restrictions, we are limited in access to our computer suites during lesson time. Therefore, all online college applications will need to be completed at home.

Thank you for your support

Kind regards,

*M Longhurst*

Mr Longhurst
