

5th May 2017

Dear Parents/Carers

We are now days away from the French and Spanish GCSE exams. I am writing to let you know what we are doing in addition to our time in lessons.

French GCSE

From next week, there will be an after school sessions for all pupils who would like extra practice. I will run these sessions every day except Mondays as we normally have school meetings on that day. They will run from 3.30 to 4.30 and pupils can drop in when they wish.

There are also lots of past papers on Share Point. These have mark schemes which pupils can access.

Quizlet

Mme Gottschalk's folder for her Year 11 group is online, which includes flashcards and games to complete on key vocabulary. They all have their logins and passwords to access this.

- Quizlet live is an online game that is based on these flashcards. These Quizlet live sessions will run on the following dates....

French Foundation

Every evening at 8.30pm from next Monday, 8th May – Friday the 12th
The joining code will be emailed at approximately 8.20pm

French Higher –

Every evening at 7.00pm from next Monday the 8th May – Friday the 12th May
The joining code will be emailed to Leah Davis at approximately 6.50pm

As parents, you can also help. Your child has lots of vocabulary which you can test them on. Don't worry if you struggle with the pronunciation, try and then spell it out to them. Vocabulary practice is vital now. They have worked so hard and this final push does help them gain a few extra points.

Spanish GCSE

Mme Coudert is running after school sessions on Tuesday, Thursday and Friday. All are welcome to join.

The folders on Sharepoint now have a wide variety of past papers H and F and mark schemes for them to practise

Quizlet

Mme Coudert has created a folder for each of her classes containing a variety of topics and vocabulary with a link on GO4S so they can access it anytime and practice. There will also be quizlet live sessions on Wednesdays.

As parents, you can also help. Your child has lots of vocabulary which you can test them on. Don't worry if you struggle with the pronunciation, try and then spell it out to them. Vocabulary practice is vital now.

Yours sincerely,

M Tilson
