Dear Parent/Carer,

Following the completion of the Year 8 Foundation Examinations we are pleased to let you know that your child's Foundation subject grade report is now available for you to view on Go4Schools. The grade update will allow you to identify the subjects where your child's strengths lie and subjects where there are areas for development.

If you have any questions about your child's grade report, please contact the Head of Faculty/Department with specific subject questions or concerns or me for general enquiries.
