Headteacher: Mr J Parr BA Hons

Monday, 18 December 2023

Dear Parents and Carers,

The Year 9 annual reports are now available for you to view on Go4Schools. Your child's report contains two grades for each subject they study, their target grade and a currently on track for grade. Where there are gaps between these grades, we have already started putting in place intervention strategies to close them and help students get back on track.

Your child's report should help you, and your child, identify areas of strength and for development as they prepare for their Year 9 Foundation subject exams, which will be held in school between Monday 22nd and Friday 26th January. More details of these exams, including the exam timetable, topic lists and tips on how to revise are available on the [school website](#). If you have any questions about your child's report, please contact me with general questions or the Head of Faculty/Department with specific subject questions or concerns.
