20th March 2020

Dear parent/carer

Please follow the [link](#) to fill in the Pathways Choices document online.

It will not be possible to conduct any best fit interviews next week as planned, but we do need to collect your choices now as this dictates staffing and timetabling needs for September. If there is a problem or a discussion that is needed we will contact you via email in the first instance. I do not anticipate many of these discussions being needed. The timescale for this is likely to extend beyond that published though due to the current COVID19 problems.

No news will be good news so there is no need to contact the school if you haven't heard anything. Once we have collated and processed all information we will be in touch to confirm your choices.

Please do not fill the form in more than once, contact me via email if you change your mind and I will make the change.

Kind regards

Dr Wood
Deputy Head
