Headteacher: Mr J Parr BA Hons

Thursday, December 15, 2022

Dear Parents and Carers,

The Year 9 annual reports are now available for you to view on Go4Schools. Your child's report contains three grades for each subject they study, their target grade, a currently on track for grade and the end of Year 8 mock exam grade. If the end of Year 8 mock exam grade is missing for a subject this may mean an end of Year 8 exam was not sat in this subject or your child missed this exam. Where there are gaps between these grades, we have already started putting in place intervention strategies to close them and help students get back on track.

Your child's report should help you, and your child, identify areas of strength and for development as they prepare for their Year 9 Foundation subject exams, which will be held in school between Monday 23rd and Friday 27th January. More details of these exams, including the exam timetable, will be shared with you and your child(ren) at the start of next term. If you have any questions about your child's report, please contact me with general questions or the Head of Faculty/Department with specific subject questions or concerns.
