

20th September 2019

Dear Parent/Carer

We are once again offering the chance for you to purchase sets of revision guides for your son/daughter's Maths GCSE. The books will be available to order in sets of 2, which will comprise a Revision Guide and Workbook . We have been able to secure a large discount through Pearson so can offer the 2 books for a total of £5.50.

Unfortunately we are not able to purchase the books separately but the ISBN numbers are listed below if you would prefer to order them directly from Pearson or any other retailer.

Higher Level Books:

Revision Guide: ISBN 9781447988090

Revision Workbook: ISBN 9781292210889

Foundation Level Books:

Revision Guide: ISBN 9781447988045

Revision Workbook: ISBN 9781447987925

Those students who receive Pupil Premium funding will be given the study guides for free. Parents of those students do not need to order them. For parents of Year 11 students, these are the same books we offered in Year 10, so there is no need to purchase again if you bought them last year.

If you would like to purchase the 2 books, please can you make payment of £5.50 through ParentPay by Monday 7th October. After this date no further orders will be processed.

Yours faithfully,

Mrs E Mackechnie

2nd i/c of Maths Dept
