Headteacher: Mr J Parr BA Hons

Thursday, 20 October 2022

Dear Parents and Carers,

The Year 11 annual reports are now available for you to view on Go4Schools. Your child's report contains three grades for each subject they study, their target grade, a currently on track for grade and the end of Year 10 mock exam grade. If the end of Year 10 mock exam grade is missing for a subject this may mean an end of Year 10 exam was not sat in this subject or your child missed this exam.

Where there are gaps between these grades, we have already started putting in place intervention strategies to close them and help students get back on track. This includes the Year 11 mock exam timetable, revision techniques sessions timetable, mock exam revision topics list and departmental resources that we have made available to students. All these resources can be found on the [school website](#) and Go4schools. Your child's report should help you, and your child, identify areas of strength and for development as they prepare for their Year 11 mock exams, which will be held in school between Monday 28th November and Friday 9th December. Should you have any questions regarding your child's report please do not hesitate to contact me with general questions or concerns or the Head of Faculty/Department with specific subject questions or concerns.
