Dear Parents and Carers,

The Year 7 annual reports are now available for you to view on Go4Schools. Your child's report contains two grades for each subject they study, the target grade and the currently on track for grade. Please rest assured that where there are gaps between these grades and your child's target grades, we have already started putting in place intervention strategies to close them and help students get back on track.

Should you have any questions regarding your child's report please do not hesitate to contact me with general questions or concerns, or the Head of Faculty/Department with specific subject questions or concerns.
