		1								Design Technology - Product Design Unit 1	
		2									
		3			Study Leave						
		4							D&T		EXAM PERIOD ENDS
5											

Your normal timetable applies until Wednesday 13th June unless:

1. You have an exam (shown in the column with the date at the top)
2. You have a revision lesson, shown in the column headed Revision Lesson (sometimes this is your normal timetabled lesson anyway).

Once you have completed the exams in a particular subject any subsequent lessons will be used to revise for other subjects. You should go to the room that this subject was taught in and revise whilst there. Please bring revision materials to school with you for other subjects during this time. Study Leave does not start until Wednesday 13th June 12pm.
