

Dear Parents / Carers,

With the end of Autumn Term in sight, we would like to say thank you for all that you continue to do to support the school by sending your child/ren fully prepared each day for lessons and staying safe.

You will have seen much in the news about schools being given the opportunity to change their end of the term date, to manage the track and trace period following the last day of school being open with students and staff on site. Please note that we are not making any changes, therefore our last day of term remains the 18th of December for students and staff, with a normal end of day finish. Of course, we are looking forward to ending term with our school full of students and staff in Christmas jumpers, in support of Save the Children and also the Shrewsbury ARK.

With best wishes for a good weekend

John Parr

Headteacher

Dear parent/carer,

Our cashless catering system has now been updated following the recent disruption. Please can you ensure you check the balance and add credit as required. Thank you.

School drop off and collection

Please can we ask parents not to drive over the grass when dropping off and collecting children from the school car park. Thank you.
