

Dear Parents and Carers,

Welcome back to a new school term and, of course, a new year!

It was lovely to welcome our students back to school on Tuesday and we hope that you all enjoyed a lovely Christmas break. Of course before we reached the end of last term the Ski Trip students and staff returned having enjoyed a wonderful time away. My thanks go to Mrs Davis and her team for leading the trip and ensuring all students arrived back safely.

Thank you for ensuring that your son/daughter has returned to school in the correct uniform and abiding by our expectations regarding make-up and jewellery. We have started to display a 'Tutor slide' projected on the screen in tutor group rooms during morning registration. This not only ensures that students are aware of events across the week but also reminds all of our expectations. We started this week with a reminder about uniform and jewellery. Next week, we will be undertaking some spot checks during the school day and if required, items of inappropriate jewellery will be placed in an envelope for students to collect at the end of the day from Reception.

On Wednesday this week, Year 11 students received their Mock Results certificate, during a session designed to replicate results day in the summer. Students received the grades that their teachers have estimated they might achieve, given their work to date in class, marking of mock exam papers and their attitude to learning. Please, therefore, talk with your son/daughter about their 'mock results'. Should you wish to discuss subject specific issues, please note that Year 11 Progress Evening will be taking place on Thursday 23rd January.

For Year 9 students, their Year 9 exams are on the horizon and today Mr Wise led an assembly specifically to ensure that all students had the information they need to help them prepare.

Also today, Mrs Jones and Mr Overton have taken a group of year 10 students studying Btec Digital IT to RAF Cosford to help them with their coursework. I am sure that they will have an interesting and eye opening day!

With best wishes for a pleasant weekend and a Happy New Year!
