

Dear Parents and Carers,

It has been another busy week, which ended with our annual Open Evening and Open Morning. You will remember viewing secondary schools yourselves, as parents and carers, when making the choice of school for your own child / children. As a parent myself, I know that it is not an easy decision, but the true ambassadors of our school, the students, made our evening and morning a really pleasurable experience for visitors. Thank you, therefore, to students who assisted on Open Evening and during Open Morning. Your welcoming manner, openness in conversation and maturity was noted in the feedback from prospective parents.

Next week we look forward to welcoming parents and carers to the Year 7 Review meeting with their son / daughter's Form Tutor. Starting in a new school is always a time of angst, along with excitement for students and parents alike, therefore we hope the opportunity to share initial 'settling in' thoughts with tutors will be useful. It may even have enabled parents and carers to find out the answer to the often asked but briefly answered question of "What did you do today in school?"

We also hope to enjoy our sponsored walk later next week, however at the time of writing, the weather forecast is not looking like it will be a very pleasant day. We will make a decision during next week whether we will continue as planned or postpone the event, letting you know of course at the earliest opportunity.

Best wishes for a lovely weekend

Mr. J. Parr

Headteacher

We are pleased to announce we have maintained our school Food Hygiene Rating of '5 – Very Good' after an inspection this week. Well done to the restaurant staff!

Nut Free School

We aim to be a nut free school. If your child brings packed lunches or snacks in from home please ensure (even if your child is not allergic) that they do not contain nuts or nut-products, in order to protect those in school with severe allergies. Our kitchen doesn't knowingly use nuts, however nut traces can be found in many products especially when manufactured in a factory alongside nut products.

Mozart's thrilling classic of MURDER and SEDUCTION

Sexual intrigue, jealousy, wit, anger... and retribution! The new Royal Opera Season begins with Mozart's engaging masterpiece, which follows Don Giovanni, the woman he serially seduces, and the vengeance that finally catches up with him. The opera is renowned for its ever-shifting portrayals of complex characters, fast-moving action and mix of the comic and the heartfelt. A cast of international singers – both familiar and making Royal Opera debuts – under conductor Hartmut Haenchen perform the glorious arias and ensembles of this opera favourite.
