

Dear Parents & Carers,

Following the Government's announcement regarding the roadmap out of lockdown, we are pleased to be able to reflect some easing of the restrictions in school. A specific letter regarding this has been sent to you today and is available on the school website [here](#). Thank you in advance for your support.

Year 11 students are now halfway through the summer assessment series and once again must be congratulated for their hard work and positive attitude. We will be writing to parents & carers of Year 11 soon with an update about the teacher assessed grade process and other aspects of the students' remaining time here.

Next week we look forward to the virtual Year 8 progress evening on Thursday and hope that it provides an opportunity for parents and carers to discuss the work being done in school and how progress is being supported.

With best wishes for a good weekend

John Parr
Headteacher

Year 8 Postcard Competition

Massive Congratulations to everyone in Year 8 who took part in the Postcard Competition.

Judging them was very hard. The aim was to produce an attractively presented front and a persuasively written back and many of the entrants achieved that – as you can see from some of the examples below.

Then, the classroom teacher was required to create a short-list of potential winners. So congratulations to everyone below, who made it onto that list.

Jordy Simpson

Chloe Selley

Finley Sharland

Lily Atkin

Eve Watkins

Anya Angell

Amelie Beavis

Euan France

Isla Skelly

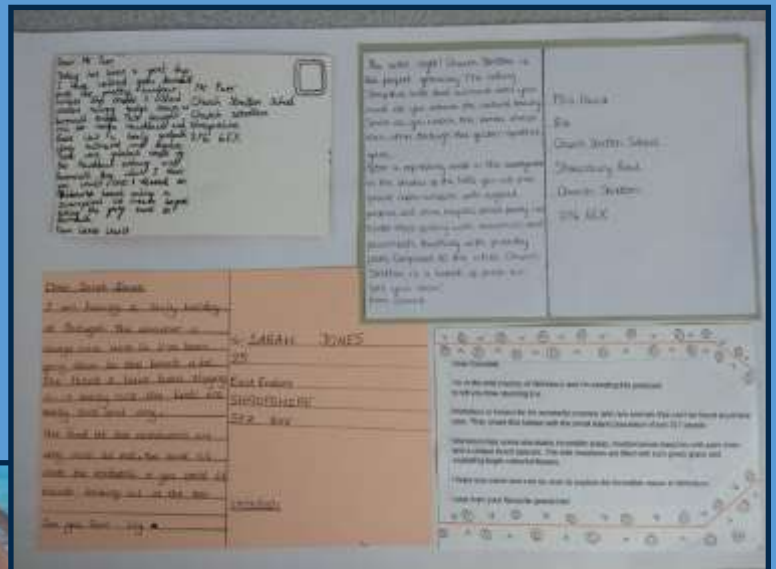

Lexie Lewis

Wilf Turner

Connie Woodhouse

Bonnie Innes

Mary Preece

I had the honour of being the final judge. I marked the front and back of the card out of 3. The front was judged on creativity and originality and the back on the quality of the persuasive vocabulary and the variety of sentence. By this process, I ended up with Four Winners.

Lexie Lewis, Connie Woodhouse, Lily Atkin and Amelie Beavis.

Well done all of you. I will be swooping into your classes with prizes as soon as I can.
