

Dear Parents/Carers,

The final day of term certainly has been very different to the norm, however, so has every day since schools were instructed to close in March.

It has, though, been lovely to welcome Year 6 students today, before they finish for the summer holiday, along with Year 11 this morning, who have left school, but returned today to collect their Leavers Hoodies. We are pleased to have been able to accommodate both year groups before school closes for the summer to be deep cleaned. We hope that Year 6 enjoyed meeting with their Form Tutor and children from other Primary schools and left feeling excited about joining us in September.

Following several lengthy letters to both parents/carers and students recently, we hope that plans for September are clearer and provided you with some reassurances. Of course, in a time of continued uncertainty, we may have changes again before September, so we will try to keep you updated as best as possible.

In the meantime, from us all at Church Stretton School, we wish you a safe and enjoyable summer break and look forward to welcoming all students back to school on Thursday 3rd September, 2020.

Kind regards

John Parr

Mathematical Mindbender 5

What could be better than a little diversion into the wonderful world of maths to take your mind off Corona?

Last week's correct answer was

P=10, Q=11, R=12, S=13, T=14

This week's challenge is the trickiest yet.

Can you solve it?

A thief wants to open a lock with 5 digits as the key to open it. He knows that the 3rd digit is three less than 2nd digit, while 2nd digit is four smaller than 4th digit. The first digit is three times the fifth digit. There are three pairs whose sum is 11 and third and fifth digits are equal. Find the key to open the lock.

Answers to Mrs Bowler at Hilary.Bowler@cssschool.co.uk

The winner will be drawn at random from all correct answers.

Instrumental Lessons

Instrumental lessons through Shropshire Music Service will be delivered in school via Microsoft Teams in the Autumn Term. There will be a practice room dedicated to this that the students will have access to. It is hoped that face to face instrumental teaching will resume in the Spring 2021.

'Carys's Art in Isolation success!'

Well done to Carys Faulkner, Year 11 for her fantastic competition entry which came second overall and resulted in a £20 Amazon voucher being awarded. Her submission is below along with photo.

Well done Carys!

I live on a hill in Church Stretton and being surrounded by the calm of nature has inspired me to appreciate the smaller yet still important things in life. I have always loved how calm the woods make me feel and how different angles can portray opposite opinions of the same area. I love the way the black and white filter adds so much drama to any photograph. Over isolation I have constantly been in the woods taking various photographs from different angles, of different plants and trees but my favourites have to be ones like this picture because of the depth of the picture blended with the mixture of in focus and blurred branches making it appear more abstract. I

also love how the depth of the photograph blended with the black and white filter creates a sense of eeriness to the photograph, causing it to appear as though the woods are never ending. I also find this entire situation slightly eerie at times due to the fact that streets are devoid of people and vehicles causing towns to appear derelict and abandoned creating an eerie atmosphere. I love that when I am in the woods alone it is a huge reminder of how small we really are compared to the beauty of nature on this earth. I would gladly spend days alone in the woods, simply appreciating and listening to the gracefulness and the many wonders in this one small wood alone. This world wide pandemic is also a firm reminder of how weak humans are compared to the strength of nature and how, due to this pandemic and isolation, nature has managed to flourish more so than ever because humans are incapable of tampering with it and destroying it. That is why nature is the main thing that has inspired me during lockdown.

FLU CLINICS 2020

Planning for the annual flu clinics is well under way and the clinics will be run completely differently this year due to the Covid-19 pandemic. This year has seen many changes personally, within our community and our business, and here is another one!

Every year we vaccinate about 3000 patients against influenza (flu) - and those of you who have had the experience of Saturday flu clinics will know it is usually a very busy and crowded event! No surprise then, that for this year, we will be taking a VERY different approach. This article is intended to reassure you, explain and encourage you to attend our new look flu clinic.

PLEASE NOTE THAT FLU CLINIC APPOINTMENTS ARE FOR THOSE ELIGIBLE FOR FREE NHS FLU VACCINATIONS

VENUE - We are extremely grateful to Mr Parr, Head Teacher at Church Stretton Secondary School for allowing us to use the large spaces at the school for flu clinics. This will allow us to maintain social distancing. We will also regularly sanitise the area.

DATES - To allow for COVID-19 restrictions we will be planning up to 6 full days:

26th/27th September, 10th/11th October, 7th November definite, with 8th November being held as a back-up if needed.

Under 18's - the afternoon of 7th November will be used for the under 18's and their family members who also require flu vaccinations. The under 18's flu vaccinations are unlikely to be available before this time.

TIMINGS - You will **NEED TO BOOK A TIME SLOT TO ATTEND**

Adults over 18, please book online in the normal manner, looking for the dates as listed above, **available to book from 29th July. DO NOT BOOK A FLU JAB IN A NORMAL CLINIC SLOT - YOU WILL NOT BE GIVEN IT.**

If you cannot book online, please call the dedicated phone line - **01694 725934 - on Wednesdays and Thursdays between 3pm and 6pm. This phone line will open from Wednesday 29th July.** If you wish to attend as a group, or book an under 18, please ask ONE person from the group to call - make sure they have the names and date of birth for all in the group.

Please do not call the normal reception number - they will not be able to book your appointment.

FACE COVERINGS - When attending the flu clinic, please wear a face covering of some sort. This helps protect everyone. This applies to adults and children over 11 years. We understand there may be exceptional circumstances where you cannot wear a face covering.

CLOTHING - due to the location we cannot provide individual rooms so please wear appropriate clothing that will allow the very top of your arm to be exposed without the need to undress.

ILLNESS - as with any appointment, please do NOT attend if you have COVID-19 symptoms.

As shielding will have ended by the time of the flu clinics, any patient who was shielding can now book a slot.

We very much hope that you can see we are making a significant effort to create a flu vaccination program that is safe, accessible and efficient. Please work with us - we understand that the system will not suit everyone but please think very carefully before you call the surgery to make a complaint. We have a duty to everyone and we feel this is the best way we can help as many people as possible.

Residents of Ley Gardens and Denehurst Court - we will be making arrangements for our nursing team to visit you and give you the vaccinations - so you will NOT need to book an appointment.

PLEASE ENSURE WE HAVE YOUR UP TO DATE MOBILE PHONE NUMBER AND EMAIL ADDRESS AS COMMUNICATION IS SO MUCH QUICKER AND SUITABLY TARGETED.

Church Stretton School PTA - Theatre and Theatre at Home W/C 13.07.2020

Arts and Culture and Funding

We await the Government detail on a funding package to support - and regenerate - Art and Culture. We hope that there will be some help for Art and Culture in Church Stretton. Not just for the school theatre but for all of the Art and Culture organisations in the Church Stretton area. There is no doubt that our community benefits from the wellbeing that the arts and culture create.

Whilst these weekly notices of online streaming events that we have been issuing have hopefully continued to enthrall your appetite for theatre, there is still a long way to go before we can enjoy live theatre again.

The PTA are therefore continuing to ask our supporters to register for Easy Funding. This is easy by following the link <https://www.easyfundraising.org.uk/> and adding Church Stretton School as the chosen charity. Please contact Alan Fox (07977060303) or email alandavidfox@live.co.uk if you are able to help in any other way.

Recovery

We continue to look at what and when our recovery might look like.

We are considering whether it would be best to submit any Government funding application under the umbrella of the Town Council and the Community Led Plan (CLP) group on Arts and Culture? This may give it more weight as a "Community" initiative. The Town Council can then distribute funding to individual Art and Culture groups on a need basis.

We must await the detail. In the meantime if each organisation presented facts about their contribution to the Arts and Culture, we could present a very strong case for Church Stretton.

Information from organisations

If there are organisations willing to embark on this sort of initiative, then they could present information in support along the lines of – but not exclusively:

- What they contribute to Arts and Culture in the community. We have a lot of this information following the Community Led Plan initiative.

- The number of people involved. Employees; Volunteers; Audience

- The revenue normally generated

- The loss of revenue as a result of Covid-19

- Their vision for recovery and the future

The information already collected from the CLP may help recovery and future vision.

Vision

Should we look, for example, at including in any application some future initiatives:

- Art and Culture along the lines that we - successfully - organised for the Community Games over many years and also the Medieval Celebrations.

- Things like the previous Music fest initiatives

- Would a blue-sky idea of outside theatre and cinema – not only for "Social Distancing Theatre/Cinema" (which is likely to be with us for some time) but for future community use – particularly in summer months? There are many outdoor spaces in Church Stretton where this could be accommodated. Would a mobile facility be an idea to share around different venues?

- Are there any other ideas out there?

Any comments or ideas please to Alan Fox

We and our other partners will continue to direct you to a fantastic array of theatre in your home whenever we are able to collect information. Information from our partners this week includes:
