

Dear Parents & Carers,

It is hard to believe that we are now approaching the final fortnight of the summer term; a time when we would normally be running a whole school sports day, preparing for Year 10 work experience and activities for enrichment week. However, as normality remains out of reach, we await some guidance or decisions from the Government about the next academic year so that we can at least make firm plans for September. If this information is not made public before the end of term, it is likely that we will be responding during the summer holiday, which may unfortunately mean some late notice for parents & carers. We will do our best though to share what we know as and when we find out.

Best wishes for the weekend.

University of Worcester

A group of Year 10 students have had the opportunity to work with outreach staff, from the University of Worcester, for the last term. Sophie and Casey have worked with the group on everything from next steps, interview skills, target setting and debating. (Apples versus Oranges lead to the Mango coming out on top!) The students joined in with the activities and really impressed the Outreach Team. The Year 10 students have been invited to the University of Worcester to look around the campus in September so they can see what University life could offer. Thanks to Sophie and Casey and well done to: Tai Adams, Jake Duppa, Katie Dziejzina, Lauren Edwards, Cerys Garner, Joshua James, Aleesha Karakula, and Aman Raza

NAME THE DEPARTMENT

Can you work out which department this is?

Once you have done that, can you name the teachers?

We know how important and exciting it is to be choosing your new uniform when starting at school, and we are here to help.

Due to Covid 19 we want to help everyone to access their new uniform in a safe and controlled way. For Summer 2021 we will be making a few changes and additions to how we serve our customers

ON-LINE – The on-line shop is fully open – Orders can be delivered directly to your address. In addition, we will be offering a collect from store service. (Click/collect)

To aid social distancing, collect from store orders will only be available for collection once you have been contacted to say your order is ready, on arrival you will see a collection point.

Please allow up to 7 days for collect from store – as we need to manage the number of people arriving to maintain distancing.

Last date for orders for back to school – Sunday 15th August 2021.

SHOP – The shop will be open as normal. But to maintain distancing, fewer customers will be able to be in the shop at one time. We **STRONGLY** advise that customers shop as early as possible.

Please see our website for up to date opening details.

APPOINTMENTS

Appointments are available on Sundays – please telephone or email to make an appointment
