Edition 8 23rd October 2020

Dear Parents/Carers,

Phew.....we made it! I cannot recall a start to the school year that has been so challenging for all, but the overwhelming feeling has been one of happiness that we are open and students have returned. Of course, it still isn't as we would want, but after 8 weeks we are getting used to things. Everyone has worked tremendously hard and we are all ready for the half term break!

With a heavy heart though, we are saying goodbye to Mr Ward. After 13 years of service to Church Stretton School, Mr Ward is leaving us for a promoted position in Telford Park School. Mr Ward joined Church Stretton School as Head of PE in 2007 and remained so until 2017, with countless students having benefited from his leadership of the department and being taught by him personally. His commitment to extra-curricular clubs and teams over lunch times, after school and weekends resulted in a wealth of team and individual success for students who will remember his support always. Indeed, students who went on the ski trips organised by Mr Ward will have enduring memories of his humour, care and support. Since 2017, Mr Ward has been our SENCo, Designated Safeguarding Lead and Designated Teacher for Looked After Children. In this role, Mr Ward has once again touched the lives of so many, helping them with difficulties, promoting and aiding inclusion, championing students and just being there for staff students and parents to talk with. Mr Ward will be sorely missed by all at Church Stretton and we wish him the very best for the future!

With Mr Ward's departure, we had the extremely difficult job of replacing him. Please note, therefore, that between 01st November and 31st December, Mrs Hough, also a qualified SENCo will be our interim SENCo and in January, we welcome Mrs Quye who joins us as SENCo and Designated Teacher for Looked After Children. I will write with further information about Mrs Quye soon.

Yesterday you will have received a copy of our Trust newsletter 'TrustEd Talk', including an article about opportunities for our students.

We are delighted to be part of such a supportive family of schools, with the Trust having provided significant assistance with ongoing projects, which have improved the experience for your children.

This has included: negotiating the best value for money to provide a robust wireless network; facilitating the move to external catering, which includes the cashless catering and the lovely new dining tables; facilitating the Chromebook scheme; supporting our plans for a safe full re-opening for students and staff and soon, an electronic safeguarding sign in system for staff and visitors. Most recently, Mrs Godden, Trust CEO came to speak with our Year 7 students about an opportunity to collaborate with students in other Trust schools on a Student Parliament, acting as Church Stretton representatives. In a climate where education remains significantly pressured, we are very fortunate to work together as a group of schools to maintain improvements through economies of scale and mutual support. I am sure you will see more of this in future editions of 'Trust Talk' where Church Stretton's involvement is featured.

I would like to end with a final 'thank you' to yourselves and your child/ren for your contribution to the re-opening of school. We are extremely grateful that we have not been hit significantly with students having to be sent home to isolate, or whole year group 'bubbles' having to follow distance learning. However, we know that the road ahead will be bumpy and may well impact on some or all of us. Therefore, please do enjoy the half term break, stay safe and take time to re-charge the batteries and spend time with friends and family. We look forward to welcoming students back to school on Monday 2nd November.

Best wishes John Parr Headteacher

How to set up your new @taw.org.uk Office 365 account

To reset your account details for the new @taw.org.uk Office 365 account find the email that was sent to all students and their parents during the week beginning 28th September.

This <u>video</u> shows you exactly how to set up your new account and works through the 5 steps below. There is also a detailed how to guide included in the email sent by Mr Morgan.

Step 1: Find your Office 365 account details in Mr Morgan's email

Step 2: Type office.com into the address bar of your browser Step 3: Enter your new email address into the username field and copy and paste the password into the password field

Step 4: Set your 3 memorable questions and answers

Step 5: Change your password to a more memorable one

To stop your computer from retaining the details of your old Office 365 account, which may stop you from accessing your new account, follow the steps in this <u>video</u>.

It is vitally important that all students access their new Office 365 account as we will be using it to deliver online lessons in the event of a partial or full lock down and if they are unable to log in, they may miss some of their live lessons or lesson resources.

If you continue to experience problems after carefully following the steps shown in the help videos please contact the School on tawe310.admin@taw.org.uk.

Trips and visits

Due to the ongoing Covid restrictions in place and the uncertainty around travel it is unlikely that any trips or visits will take place this academic year. We will, of course, remain up to date with government guidance as it is released and when it is classed as safe to do so we will look at introducing trips back into our curriculum. We fully believe that these extra-curricular activities are an essential part of student life at Church Stretton School which we will aim to re-instate as soon as restrictions allow. With this in mind we usually give advanced warning of all trips so that parents are able to pay over a period of time instead of in one lump sum. Therefore, it may be an idea to start putting some money aside for trips that may become available in the future.

School Fleeces

We have had a few enquiries regarding the school fleece which can be worn in addition to the school polo shirt and jumper. They are available from our uniform supplier (Schoolshop direct) with prices from £15.99. Click here to go to the website.

The P.T.A held a meeting on Wednesday 15th via Zoom and would like to thank everyone who attended.

We are pleased to report that the P.T.A. has now recruited a new chair person and would like to thank Clare Kennedy for taking on this role. Clare has a daughter in Year 10 and would ideally like support from a Vice Chair. If you have a child in the lower part of the school and would like to volunteer for this role please get in touch. As Clare is the new Chair, the P.T.A. can now sustain its support for the school with Angela Pownall and Chrissie Fox remaining in the roles of Treasurer and Secretary. We would also like to thank Caroline Terrill the retiring Chair for the contribution she has made to the P.T.A. in a variety of roles over a number of years.

If you would like to be kept up to date with P.T.A. news by joining the mailing list or take on the Vice Chair persons role please email csschoolpta@gmail.com .
