

Dear Parents and Carers,

I am always proud of our students and this week is no exception. On Monday at 11:00, we held a 2 minute silence in remembrance of the end of the First World War and to remember and honour those who have paid the price for our freedom. In recognition of this, a group of students helped staff in the school library to create a remembrance display. I would like to thank Miss Green, Tristan Walden, Ted Cashmore, Dylan Hadwen, Mrs Mullins and George Harrison for their hard work in doing so.

Today, students are in Mufti in support of Children In Need. Thank you, therefore, to parents and carers for supporting fundraising by sending £1 or more in with your child, which will be donated to the charity.

Finally this week, on behalf of the PTA who have worked tirelessly to organise the event, may I finish by reminding you of the fantastic Craft Fayre taking place here in school tomorrow, from 10am until 3pm. The Parent Teachers Association have, as always, put significant time and commitment into the event and I am sure that if you come along you will have a thoroughly enjoyable time. In addition to the PTA, my appreciation also goes to our site staff who work tremendously hard to set up the rooms and then return them back to teaching spaces in a very tight timescale!

With best wishes for the weekend

Mr. J. Parr

### C3 and the annual MacMillan Bake Sale

Thanks to the magnificent efforts of Rhyanna Good, and a small team of helpers from the C3 tutor group, a cake stall ran throughout the 1st week of October raising a huge £145.90 for the charity. A huge thank you to all the pupils, parents and carers who contributed cake and confectionary to sell. None of this would have been possible without your generosity. Equally thanks must go to the pupils and staff who bought....and ate... the cakes. Well done everybody.

Following the phenomenal success of the C3 Christmas Raffle last year, we will be repeating this event too. Any prize contributions would be gratefully received.

## Nut Free School

We aim to be a nut free school. If your child brings packed lunches or snacks in from home please ensure (even if your child is not allergic) that they do not contain nuts or nut-products, in order to protect those in school with severe allergies. Our kitchen doesn't knowingly use nuts, however nut traces can be found in many products especially when manufactured in a factory alongside nut products. Many thanks

### Students' Dietary Requirements, including allergies

Please let the school know of any dietary requirements/allergies that your child has using the special Dietary Request form which can be found on the school website, [www.churchstretton.shropshire.sch.uk](http://www.churchstretton.shropshire.sch.uk) under the Parent tab, and School Meals.

Please complete the Dietary Request form and return to the school office as soon as possible. You will also be required to provide a document of support for your child's file. This can be from GP or another supporting practitioner e.g. nutritionist, dietician.

Judi Dench and Kenneth Branagh star in Shakespeare's great tragicomedy, recorded live at the Garrick. But when he suspects her of having an affair with his friend the King of Bohemia, he sets in motion a terrible train of events. This was the first in a series of exceptional plays from the Kenneth Branagh Theatre Company at cinemas under the Branagh Theatre Live banner over the next year.
