15.35 – Arrival in Manchester Terminal 2

16.30 – Board coach to travel back to School.

Packing

- You must have an **up-to-date passport** (with at least 3 months of travel still available on date of departure) and a **GHIC** card with you to travel to Spain.
- **Please hand in your passport and GHIC card to your staff group leader this evening.**
- Insurance has been arranged through Voyager (ABTA Travel Insurance)
- You will need to pack your own **bath towels** and cosmetics, in addition to sensible clothes (cool layers); sensible, comfortable footwear (flat sandals) and an appropriate day rucksack.
- **A re-useable water bottle, sun-hats and sunglasses** are essential items for this trip – it is going to be very warm in Spain at this time of year.
- All items brought at own risk and phones / electrical items will be taken off students if deemed appropriate.
- One suitcase and one day rucksack per student.
- **Reminder to pack any inhalers and medicines that you need, particularly anti-travel sickness tablets.**

Packing

- **You will also need to pack an electrical adaptor for any chargers, hair-dryers, straighteners you may wish to bring.**
- **Spanish Money (Euros)**
I would suggest bringing no more than **50-100 euros** as all food will be provided during our stay and money will only be needed if you wish to purchase items:
 - in the evenings when we take a walk around the shops around the hotel in Torremolinos
 - from the Alhambra gift shop
 - during our visits to Granada and Malaga when we walk around tourist shops
 - in the airport terminals
- **English money**
I suggest bringing **£20-£30** to buy food on the outbound and inbound journeys, in particular, please ensure you have money to buy an **evening meal, the day of our return to the UK**. We usually stop at a services to buy a McDonalds / Burger King style meal on the journey back to school.

10kg hand luggage included

You can take one piece of hand luggage onboard free of charge, as long as it weighs no more than 10kg and is no larger than 56cm x 45cm x 25cm (including wheels and handles).

Small under-seat bag

You can also bring a small, under-seat bag onboard (such as a handbag, laptop bag or airport purchase), as long as it doesn't exceed 40 x 30 x 20cm in size and can be placed underneath the seat in front of you.

All students can take a Hand Luggage suitcase no bigger than the dimensions specified in the diagram on the left and a personal bag (small day rucksack) which must be able to fit under the seat in front of them on the airplane.

Please note that there are liquid restrictions for items packed in a Hand Luggage bag. (See next slides).

If you wish to purchase cosmetics, when we arrive at the hotel, we will take our groups to a local supermarket to do this before our first evening meal.

Liquid Restrictions for Carry-On Luggage

- ✓ Only containers with a maximum capacity of 100ml are allowed.
- ✓ All containers must be packed in a transparent, resealable 1-litre plastic bag.
- ✓ The plastic bag must be fully sealed.
- ✓ Each passenger is allowed only one bag.
- ✓ The number of containers is not limited as long as the total volume does not exceed 1 litre.
- ✗ Liquids in a container larger than 100ml are prohibited.

It's **not the amount of liquid** that matters, but the **maximum capacity** of the containers – for example, a 200ml bottle that's only half full is still prohibited.

Mobile Phones

Phones can be used in the day-time but **MUST** be handed to your group leader before bedtime every night.

They will be returned to you after breakfast time the following morning.

You can plug the phone into a power pack to leave with your group leader overnight.

Check if there are any additional costs for using your phone abroad.

All phones brought at own risk.
