Dear Parents/Guardians

Re: Year 11 Revision Guides

It is a pleasure to welcome students back to Year 11 RPE as they continue their GCSE studies.

This is a reminder of the importance of every student having access to a revision guide to support their learning and exam preparation. Having a copy at home can help make revision more focused and effective, particularly when reviewing key beliefs, teachings and ethical themes.

Thank you to those families who have already purchased a revision guide. If you have already done so, please disregard this reminder.

With the mock examinations approaching, students may find the following revision guide particularly useful as part of their Religious Studies revision. This is the recommended guide for the Eduqas GCSE Religious Studies Route A specification and is currently available for approximately £12.50. We recommend ordering it directly using the link below:

WJEC Eduqas GCSE Religious Studies Route A Revision Guide

This guide is fully compatible with the course taught in school and will be used to support in-class revision and exam-style practice throughout the year.

For students eligible for Pupil Premium, a copy of this revision guide has already been provided, so no further action is required.

Thank you for your continued support.

Kind regards
