Year 10				
	Term 1	Medicine Through Time: • The Middle Ages 125-100 • The Renaissance 1500-1750 • Early Modern 1750-1900 • The Modern Age 1900-today	Students will develop an understanding of continuity and change in medicine from the medieval period to the present day. They will describe, explain and analyse changing ideas about the causes of disease, methods of treatment, diagnosis and prevention. Students will also investigate the significance of key individuals, discoveries and medical developments that transformed healthcare over time	Middle Ages knowledge quiz End of Units 1 & 2 exam-style questions Early Modern Britain knowledge quiz End of Units 3 & 4 exam-style questions

	Term	Topic	Learning Outcomes	Assessment
Year 10		The British Sector of the Western Front: injuries, treatment and the trenches [8 lessons]	Students will undertake an in-depth study of the British sector of the Western Front during the First World War. They will investigate the nature of trench warfare and analyse the changing patterns of injury, illness and medical treatment between 1914 and 1918. Through the study of historical sources, students will develop the analytical and evaluative skills required for GCSE History	End of unit Western Front examination
	Term 2	Anglo-Saxon and Norman England, c.1060-88	Students will investigate the final years of Anglo-Saxon England and the succession crisis of 1066. They will examine the claims to the throne, the events of the Battle of Hastings and the reasons for William's victory. Students will analyse how William established and consolidated Norman control through military force, castle building and changes to landownership. They will also explore the impact of Norman rule on government, society and the Church, evaluating the extent of change and continuity following the Norman Conquest.	1066 and the Norman Conquest knowledge quiz End of unit exam-style assessment

	Term	Topic	Learning Outcomes	Assessment
Year 10	Term 3	The American West 1830-1890 Unit 1: Early Settlement of the West	Students will explore the lives, cultures and beliefs of the Indigenous Peoples of the Great Plains and examine how westward expansion affected their communities. They will investigate increasing migration into the West, the changing relationship between Indigenous Peoples and the US government, and the events that led to the Fort Laramie Treaty of 185	End of Unit 1 practice exam paper
	End of year assessment The Year 10 mock examination will assess all content studied throughout the year. Assessment outcomes will be used to identify misconceptions and inform targeted review and interventio			

	Term	Topic	Learning Outcomes	Assessment
Year 11	Term 1	Unit 2: Settlement of the Plains Unit 3: Conflict and Change	Students will examine the settlement and development of the Great Plains and analyse its impact on the Indigenous Peoples of the Great Plains. They will investigate the significance of the Homestead Act, railroad expansion and the growth of settlement, alongside conflicts such as Red Cloud's War. Students will also explore the decline of the cattle industry and the increasing loss of Indigenous lands and ways of life following key events including the Battle of the Little Bighorn (1876) and Wounded Knee (1890).	Regular retrieval Exam style questions End of unit exam
		Unit 1 and Unit 2: The Weimar Republic and the Rise of the Nazi Party	Students will investigate the challenges faced by Germany following the First World War, including the impact of the Treaty of Versailles, political instability and economic crises such as hyperinflation. They will analyse the development of the Nazi Party and explain the factors that enabled Adolf Hitler to become Chancellor in 1933 within the context of growing political extremism and nationalism.	Regular low stakes retrieval Exam Practice (Section A)

	Term	Topic	Learning Outcomes	Assessment
Year 11	Term 2	Germany, 1919-39 Unit 3: Nazi Control and Dictatorship Unit 4: Life in Nazi Germany	Students will examine how Hitler consolidated power and established a dictatorship through key events including the Reichstag Fire, the Enabling Act and the Night of the Long Knives. They will then investigate everyday life in Nazi Germany, including the experiences of women, young people, workers, religious groups and minorities. Students will evaluate the extent of Nazi control and the impact of Nazi policies on German society	Low stakes retrieval Ongoing exam practice End of unit exam

	Term	Topic	Learning Outcomes	Assessment
Year 11	Term 3	Revision	Students will review and consolidate knowledge from all GCSE History units. They will develop revision strategies, practise examination techniques and address individual areas for improvement in preparation for the GCSE examinations	GCSE Examinations
