Dear Parents and Carers,

Year 8 - Learning Together Mental Health (LTMH)

We are pleased to inform you that Church Stretton School has been invited to take part in Learning Together Mental Health (LTMH), a national whole-school programme led by Place2Be and funded by the Education Endowment Foundation. The project aims to improve pupils' wellbeing, sense of belonging, engagement with school and academic outcomes.

As part of the project, Year 8 pupils will complete an online wellbeing and mental health questionnaire during the school day. The information gathered will help researchers understand the needs of young people and evaluate the impact of the programme. Student responses will be handled securely and used in line with strict data protection requirements.

Please read the Parent Information Sheet and Privacy Notice for full details, including how information will be used and how to withdraw your child if you do not wish them to take part. If you have any questions after reading these documents, please contact me at Daniel.bird@csschool.co.uk or use the contact details in the attached information.

Yours sincerely,

Daniel Bird
Deputy Headteacher
