Edexcel GCSE Maths Revision Guides and Workbooks

Dear Parent/Carer,

We are pleased to be able to offer students the opportunity to purchase an Edexcel GCSE Maths Revision Guide and Workbook at a discounted price through school.

The revision materials are designed specifically to support students studying the Edexcel GCSE Maths course and provide a useful resource for revision, homework and preparation for assessments and examinations.

The Revision Guide provides clear explanations and worked examples covering the key topics students need to know, while the Workbook provides additional practice questions to help students apply their knowledge and build confidence.

Through our school discount, we are able to offer these resources at:

- Edexcel GCSE Maths Revision Guide and Workbook – £7.08

These resources are not compulsory, but we would recommend them as a useful addition to students' existing revision materials, particularly as they progress towards their GCSE examinations.

If you would like your child to have a copy, please order via ParentPay by Friday 25th September.

Kind regards,

Mr M Cox

Head of the Science and Computing Faculty
