Edexcel GCSE Maths Revision Guides and Workbooks

Dear Parent/Carer,

As Year 11 students begin to prepare for their GCSE Maths examinations, we are offering students the opportunity to purchase a revision guide and workbook to support their revision throughout the course.

The revision guide and workbook are specifically matched to the GCSE Maths course and provide clear explanations, examples and practice questions to help students revise independently.

Through our school discount, we are able to offer these resources at:

- Edexcel GCSE Maths Revision Guide and Workbook – £7.08

If you would like your child to have a copy, please make payment via ParentPay by Friday 2nd October.

For students eligible for Pupil Premium, the cost has already been covered, so there is no need to make a payment.

Kind regards,

Mr M Cox
Head of the Science and Computing Faculty
